

ORMISTON HOSPITAL

Ormiston Hospital

Ormiston Hospital is committed to being a leading and innovative provider of quality private surgical care in an easily accessible location in East and South Auckland. The Hospital and its facilities have been designed specifically with your safety and comfort in mind.

We are proud to offer excellence in our standard of care by surgical and nursing specialists, cutting edge technologies and unsurpassed equipment, all housed within a superior private facility.

Ormiston Hospital incorporates 6 state-of-the art operating theatres, an endoscopy suite, 32 inpatient beds, onsite radiology, pharmacy and cafeteria as well as a comfortable day stay waiting area, which caters for children's needs. There is free visitor parking, visiting hours 11am to 8pm, onsite security and a variety of nearby retail and dining outlets for visitors.

Welcome to Ormiston Hospital.

Our service focuses on you, the patient. Every effort is made to ensure your hospital experience with us is a positive one.
